

ALPINE HOUSE

CONSTRUCTION 2012

CITY/COUNTRY

Edinburgh / United Kingdom

PRODUCT GROUP

canopy

PRODUCT

glass canopy

AREA

72m²

ARCHITECT

Smith Scott Mullan Associates

CUSTOMER

Royal Botanic Garden Edinburgh

TECHNICAL DESCRIPTION

Significant technical expertise was required in the design phase of this project. The success of the finished scheme was dependant on exacting engineering standards.

CONTEXT

This simple looking structure represented a complex engineering challenge. The interplay of the structural elements produces an attractive and visually fascinating structure.
